### General Conditions

The following conditions apply to all sections of this RAC Breakdown Cover. If you do not comply we can refuse cover and/or cancel your RAC Breakdown Cover.

1. You must pay your premium.
2. You must request services directly from us, as we will only provide cover if we make arrangements to help you.
3. Where the breakdown is caused by a component failure this must stop the vehicle from working, so for example an air-conditioning failure in itself does not constitute a breakdown, and the illumination of a warning light does not always constitute a breakdown. If it does not, you will need to take your vehicle to a place of repair and your RAC Breakdown Cover will not cover this.
4. We will not cover any claim where the vehicle is already at a garage or other place of repair.
5. Where we deem, acting reasonably, that you requested service to avoid the cost of repairing the vehicle, or to correct an attempted repair by someone else, we will not provide cover.
6. A driver must be with the vehicle when we attend.
7. We will not be responsible for any loss of or damage to the contents of the **vehicle**
8. Where we recover passengers under the age of 16, they must be accompanied by an adult.
9. We will not allow animals in our vehicles, except guide dogs. Any animals can remain in the vehicle at the driver's own risk. We will not be liable for any injury to animals, or damage caused by them. We will not transport any livestock. We will not be responsible for any costs relating to animals.
10. The vehicle must not carry more passengers than the number stated in the vehicle's registration document. Each passenger must have a separate fixed seat fitted to the manufacturer's specification and any child must occupy a properly fitted child seat, where required.
11. Where we provide a repair to the vehicle, whilst we are responsible for that repair, this does not mean that we are confirming the legal and roadworthy condition of the vehicle. This remains your responsibility.
12. We will not be responsible for any losses that may incur following a breakdown that are not expressly covered by this RAC Breakdown Cover. For example, we will not pay for any loss of earnings or missed appointments.
13. We do not guarantee that recovery to any garage will be during opening hours, or that repairs can start immediately. Whilst we will try to check that the garage will undertake the type of repairs required, we cannot guarantee this. We will not take responsibility for repairs carried out at any garage and the contract for such repairs will be between you and the garage / repairer.
14. During extreme weather, riots, war, civil unrest, industrial disputes or any other event, our services can be interrupted. We will resume our service to you as soon as we can in these circumstances.
15. The cost of the following is not covered by this RAC Breakdown Cover:
  - a) ferry charges for the vehicle and our vehicle;
  - b) spare tyres and wheels and repairing or sourcing them; or
  - c) recovery by someone other than us even if this is requested by the emergency services. We will only provide recovery once instructed to do so by the emergency services.
16. In handling any claim there may be more than one option available to the driver under this RAC Breakdown Cover. We will decide which is the most appropriate option based on our expertise in breakdown situations. In doing so we will act in consultation with the driver, and act reasonably at all times.
17. This RAC Breakdown Cover does not cover:
  - a) routine servicing, maintenance or assembly of the vehicle;
  - b) caravan or trailers, except as described under Section A;
  - c) use of **your vehicle** for public or private hire, demonstration purposes or carrying trade plates;
  - d) breakdowns resulting from activities that are not subject to the normal rules of the road for example rallies, stock car racing, use of the Nürburgring or other formal or informal race events;
  - e) breakdowns that occur off the public highway to which the driver or we have no legal access;
  - f) the vehicle if it is not legally taxed, insured and holding a valid MOT which is required by law or is not being used in line with the manufacturer's guidelines;
  - g) vehicles that are not in a roadworthy condition. If we consider, acting reasonably, that the vehicle is not in a legal or roadworthy condition, we can refuse to provide service. If you can demonstrate that the vehicle is roadworthy we will provide service;
  - h) any claim that is or may be affected by the influence of alcohol or drugs;
  - i) any breakdown that is caused by or as a result of vehicle theft or fire;
  - j) **vehicle** storage charges. If the **vehicle** is being stored, **you** will be contacted at **your** last known address with details of how to arrange collection and any fees which may be payable. In extreme instances, where the **vehicle** has not been collected and fees not paid, the **vehicle** may be disposed of and any outstanding fees will be deducted. **You** will be notified, in accordance with legislation, prior to this happening; or
  - k) any claim under this RAC Breakdown Cover where the breakdown was first reported to us under a different policy.
18. If the driver is asked to review and approve a document recording the condition of the vehicle, including an electronic form, it is their responsibility to ensure that the record is accurate and complete, and we will not be responsible for any errors or omissions.

### Additional Benefits

The following are provided at no additional charge:

#### Driver induced faults

If the **vehicle** cannot be driven for any reason other than a **breakdown**, for example if the **vehicle** has broken or cracked glass, the **vehicle** keys are broken or lost or there has been a **driver** induced fault, **we** will send help to the **vehicle**. If **we** cannot get the **vehicle** going again, **we** will recover the **vehicle** and **passengers** up to 10 miles. Any **specialist equipment** required by **us** to repair or arrange recovery of the **vehicle** will be chargeable. This service is discretionary and **we** will decide whether or not to provide this service.

#### Service in the Republic of Ireland

If the vehicle has broken down in the Republic of Ireland, we will provide a Roadside attendance service only, as described under Section A (Roadside). If your home address is in Northern Ireland and you have purchased Section C (Recovery), we will recover the vehicle to your home, or to another destination in Northern Ireland if the distance is less.

#### Urgent message relay

If the vehicle has broken down and the driver needs to get in touch with friends and family urgently, we will get a message to them.

#### Replacement driver

If the driver becomes ill during a journey in the UK and no one within the party can drive the vehicle, we may be able to provide a replacement driver. This service is discretionary, and we will decide whether or not to provide this service.

#### Additional services

We can provide additional services that are not included in your RAC Breakdown Cover but we will charge you for these, for example to:

1. Purchase the parts you need to get on your way;
2. Pay for specialist equipment to complete the repairs;
3. Extend the hire time for a replacement car; or
4. Arrange a second or extended recovery.

If you need extra help, we will agree the costs up front and will need full payment before we can help. If you took out the RAC Breakdown Cover, you will be responsible for any additional charges so if we help someone under your RAC Breakdown Cover and they cannot pay, we will invoice you. This is why we request proof of identity at the breakdown.
