Your Responsibilities

Answering questions

It is your responsibility to provide accurate information when you take out, change or renew your insurance policy. If you make any changes to your policy during the period of cover you will be advised prior to making these changes of any revised policy terms and conditions that may apply.

We expect you to provide complete and accurate information when you take out your insurance policy, throughout the lifetime of the policy and when you renew your insurance. When purchasing, amending and renewing your insurance policy, you must take care to answer all questions honestly and to the best of your knowledge. If you don't answer the questions correctly, your policy may be cancelled or your claim rejected or not fully paid.

If you are unsure of your answer to a particular question, you should try to obtain the information required to answer it correctly. If you need help with any of the questions, please see the accompanying help text or the frequently asked questions. If you cannot find what you need, please call us on **0333 005 2361**.

- Before you purchase your policy, please carefully check your answers to ensure they are correct. If there are any inaccuracies, please correct them before you pay for your policy.
- If the credit agreement requires you to pay an advance payment, you're required to pay that payment by the date specified by us or your policy may not be valid.
- You are reminded that it is an offence under the Road Traffic Act to make any false statements or withhold any information to obtain a Certificate of Motor Insurance.
- Please note that under the Rehabilitation of Offenders Act 1974 you're not required to disclose convictions regarded as spent.

Awareness of policy terms

When you take out a policy we will send you a Proposal Form or a Statement of Information which shows the information you have supplied to obtain insurance cover. Please check this carefully and inform us immediately of any errors. You should also check the Schedule, Policy Wording and where applicable the Certificate of Motor Insurance, as these documents form the contract of insurance with your insurer(s). If you make any changes to your policy, or add additional information we will send you a copy of the revisions. You will have the opportunity to correct any errors, but please be aware that this could result in an additional premium being charged by your insurer(s) and an administration charge by ourselves.

Breach of any terms, conditions or warranties may enable your insurer(s) to terminate your policy, or repudiate a claim under your policy. If there is anything you do not understand please contact us for help.

Road Traffic Act (motor insurance only)

You're reminded that it is your personal responsibility under Road Traffic Act legislation to ensure that before using or permitting the use of a vehicle on the public highway, you're in possession of a current valid Certificate of Motor Insurance.

Documents that we may need from you

To provide you with competitive prices and to combat fraudulent applications and claims our insurer partners may ask you to provide additional documents to support your application.

Depending on the insurance product and provider you may be asked to share your driving licence details with us to view your driving record, penalty points and disqualifications. We may also request proof of No Claim Discount, copies of your driving licence, utility bills and other documentation to establish the identity of any person applying for insurance. If we request these items you will also be provided with a timescale for providing the information as well as details on how to send them to us.

Please note that when we request proof of No Claim Discount, it must be earned in the UK and from policies expired within the last two years. Evidence of claim free driving connected with fleet policies or from motorcycle insurance does not entitle you to any No Claim Discount.

Failure to provide us with the required information within the specified time may result in administration charges, increases in premium or your cover may be cancelled or avoided (which means to treat as if the policy never existed).

If there is a discrepancy between the information supplied on the application form and the requested supporting documents, the correct information will be added to the policy and processed as a midterm adjustment. Where applicable, an additional premium will be charged by your insurer. If the corrected information is unacceptable to your insurer, cover may be cancelled or avoided (which means to treat as if the policy never existed).

Making changes

During the lifetime of your policy you may need to inform us about changes to your circumstances. Some changes will also result in a change to your premium, on occasion it could result in cancellation where the insurer cannot offer cover for your new circumstances. Full details of the things you should tell us about are in your policy wording. When changes are made to your policy all amendments will be subject to our mid term adjustment charge.

Payments, Fees and Charges

All annual insurance policies are arranged for a period of 12 months and you're required to pay the full amount stated on the day cover is arranged, or the date any mid-term adjustment is processed.

As we are a broker and to provide you with the best price, the price that you pay with us may have arrangement fees, commission or discounts applied to the insurers premium.

Premium finance

When you have agreed on an insurance policy we will provide you with options for making the insurance more affordable by spreading the cost using premium finance. Spreading the cost of your insurance premium, enables you to pay for your insurance in a convenient and affordable way. Once setup, you must repay the premium finance provider the amount borrowed plus interest and any charges.

Brightside Insurance Services Ltd is a credit broker and not a lender. The payment instalment plan and premium finance is provided by Close Brothers

If you decide to pay by premium finance, the set-up process couldn't be easier. Typically, you will be asked to sign a credit agreement, provide Direct Debit details and make an initial deposit payment by debit or credit card. The premium finance company pay us the amount you borrow; which we use with the deposit we collect to pay the insurer the full annual premium.

The finance provider will take monthly instalments directly from your bank account by Direct Debit. To remain on cover you must make these payments. In the event that instalment payments are missed or not made, Close Brothers Premium Finance may cancel your credit agreement and without an alternative method of payment, Brightside will cancel your insurance policy.

On cancellation and if there hasn't been a claim, the insurer will return a portion of the unused annual premium to us which we will use to reduce the debt you owe to Close Brothers Premium Finance. If there is still a balance outstanding, Close Brothers will charge an equivalent sum to Brightside.

You agree as part of our terms of business that you will pay us any costs we incur as a result of providing our services to you. If you do not maintain your premium finance and we have to make a payment to Close Brothers as a result you must pay this sum to us under this agreement. In these circumstances we will contact you directly regarding payment for this amount, as follows:

- (i) Where you have consented to us holding a continuous payment authority on your credit/ debit card, we will attempt to take payment from the most recent payment card you have used with us;
- (ii) We may contact you directly to arrange payment; and
- (iii) We may also pass on details of the debt to an external debt collection agency. Where this happens, the debt collection agency reserves the right to apply a fee for the services which they will collect along with the outstanding balance.

Administration charges

As we are a broker, the price we offer you we may include commission or discounts as well as the insurers premium.

In addition to any premium or charges applied by the insurer (which includes our commission for placing your insurance business), we may apply the following charges for arranging, amending and administering your insurance.

| Policy and Administration Charges Summary | |
|--|---|
| Annual Policy Arrangement Charge* | 30% of the insurers' premium* |
| Administration charge for making changes to your policy | £50.00 |

*The exact amount you will be charged for the arrangement of your policy will be disclosed when you buy a policy and will be confirmed in your documentation.

Cancellation

How to cancel your insurance

If you wish to cancel your insurance contract, please call our customer service team on [0333 005 2361](tel:0333 005 2361) we will explain how a refund is calculated and the cancellation charges that apply and whether there will be a refund due or any further payments required from you to settle the policy.

If you cancel your insurance following a claim or there has been an incident that will result in a claim, you will have to pay the full annual premium. If this is settled as a non-fault claim or the insurer is able to recover its loss, then they may send us a refund.

If the insurance is cancelled before cover has even started we will give you your money back, we do not charge a cancellation fee in this situation. If you set up your insurance using premium finance and the policy is cancelled you will be required to make payment for the outstanding amount immediately.

Your right to cancel

For annual products, you have a “cooling off period” and the right to cancel your policy during an initial period of 14 days either from the day of purchase or renewal of the contract or the day on which you receive your policy documentation, whichever is the later, unless there has been a total loss claim.

For short term products there is no cooling off period and although you can cancel the cover, there are no refunds available once cover has started.

Cooling off period

If you cancel in the cooling off period you will be charged by the insurer for the time you are covered and we will charge a cancellation fee.

Cancelling optional extras

If you have any additional optional insurances (eg Breakdown, Legal Expenses, Excess Protection etc) linked to your policy, then these will be cancelled when your policy is cancelled. If you have not used the service they provide and you cancel within the initial 14 day cooling off period then you will not be charged for them. There will not be any refund if you cancel these optional extras after the 14 day cooling off period.

Cancellation of liability and goods in transit policies

If you decide to cancel your Liability or Goods in Transit policy after the 14 day cooling off period we will:

- Charge a cancellation charge fee £20.00
- Retain our commission in full (this varies by insurer and is up to 20% of the insurers' premium)
- Retain any fees and charges that you have already paid during the period of insurance such as the annual arrangement fee and any administration charges.

Provided you have not made a claim and a claim has not been made against you, then the insurer will charge you for the time on cover and return to us any unused premium. If you have used the policy to make a claim or a claim has been made against you the insurer will not provide a refund.

Cancellation of short term insurance policies

Short term policies typically last from a few days to three months and the premium is set so that you are covered for that period only. When cancelled there is no refund available from the insurer. If you decide to cancel your short term cover we can end the cover, but there will be no refund due.

Where we may or the insurer may cancel your cover

We or the insurer may cancel the policy if there is a good reason for doing so. Some examples of situations where there is a good reason for cancelling your policy include:

1. Non-payment of the premium due; or
2. Your circumstances have changed and the insurer can no longer provide cover; or
3. You have failed to supply necessary documentation to support your application (such as evidence of No Claim Discount); or
4. We or the insurer identify misrepresentation or fraud or any attempt to gain an advantage under this insurance to which you are not entitled.

We will not refund any premium, fees, charges or commission on cancellation if misrepresentation, fraud or any attempt to gain an advantage under this insurance to which you are not entitled has been identified. If your policy is cancelled in this way Brightside Insurance Services Ltd or your insurer will send you seven days' notice to either the email address or postal address used to setup the insurance informing you that you are no longer covered and that you need to make alternative arrangements.

Don't forget that it's an offence to drive a vehicle without insurance.

Other cancellation fees and charges

With annually renewable insurance policies, provided you have not made a claim and a claim has not been made against you, then the insurer will charge you for the time on cover and return to us any unused premium when a policy is cancelled. If you have used the policy to make a claim or a claim has been made against you the insurer will not provide a refund and you are responsible for the full annual premium.

To calculate the cost for the time on cover, your insurer will apply either a pro-rata or use a higher rates for short period cover. A table of charges or short term cancellation rates will be shown in your policy schedule/policy wording, if applicable.

You do not receive any refund for the cost of the optional extra policies if they are cancelled after the cooling off period.

If you pay by Direct Debit, any amounts returned by the insurers will be used toward settling your outstanding premium finance, you will be required to make payment for any remaining balance immediately.

If appropriate, refunds will be credited back to the card used to make payment. However, we may issue refunds by cheque, made payable to the policyholder. The choice of whether we refund by card or cheque is made for security reasons and remains at our discretion. Refunds made to a payment card normally appear in your account between 3-5 working days depending on your banking provider.

If you decide to cancel your insurance policy outside of the cooling off period, the insurer will reclaim a proportion of commission back from us. We will apply a fee equivalent to that amount and deduct it from any returned premium from the insurer, or add it to any outstanding balance due on your premium finance.

Additionally, where we have contributed towards the premium and provided you with a discount, this is removed on a pro-rata basis when the policy is cancelled. Details of any discounts you received from us are shown within your policy confirmation.

The amount of commission reclaimable at the point of cancellation will be calculated in accordance with the cancellation method that the insurer applies to the policy. Details of the amount of commission earned on the arrangement of your policy, and the calculation method applied to calculate reclaimed commission are available on request.
